Pee Wee Folks Programs

Toddler Program Age 2

Pee Wee Folks offers a fun-filled day for your toddler. In keeping with the Pee Wee Folks format, we offer a program where your child can develop the many skills important to a toddler's growth. A typical day includes arts and crafts, music and movement, science exploration and a variety of literature-rich activities. A nurturing staff will ensure that your child's first-school experience be a pleasant one and their classroom is a home away from home.

3K and Pre-K For All

Pee Wee Folks is a contracted vendor with the New York city Department Of Education. We have grown with the Universal Pre-K program since its inception. Pee Wee Folks has continually scored higher than the New York City Public School programs in all areas of assessment. We offer both an early morning drop off and an extended day option to complete your child 3K and Pre-K experience.
